Spotted maintenance issues or defects around your estate? With the newly introduced iTown@SG app, you can now send us your findings with just a tap on your smartphone!

Simply capture an image of the maintenance issue or defect and submit your feedback through the app for our follow up. The status of your feedback will be updated when the problem has been resolved.

You can also find out about the latest news and happenings in our Town through this app.

We look forward to engaging you in making our Town a gracious living environment and a better home for us.

The iTown@SG app can be downloaded from the Apple app store and the Android play store.
